5 YEAR CAPITAL CAMPAIGN

Hello my name is Dr. Desmond Maul, CEO/President of Family 360 & Hosanna Ministries. We provide outpatient mental health and developmental services to Veterans, First Responders, Children and Youth, the Elderly, Families and Adults.

America is in the grips of a mental health crisis. According to recent data, more than 43 million US citizens suffer from mental health condition. Nearly half were shown to have a co-occurring disorder and the nation is experiencing an Opioid Crisis.

Some 9.6 million Americans experience suicidal thoughts or have made suicidal attempts. Around 365 thousand people with mental illness are behind bars. Among our nation youths the situation is even worst, rates of youth depression have increased from 5.9 to 8.2% in just five years. 62% of college students reporting feeling overwhelmed anxiety in 2016 and hospitalization for mood disorder among children ages 17.

We signed an agreement of sale for 50 acres in Rockdale County, Georgia to develop a TRANSITIONAL AND Mental HEALTH SERVICES Center and we need to raise \$1.2 million by closing date, January 31st, 2019.

The Capital Campaign is designed to raise \$25,000,000 to \$40,000,000 to provide outpatient and residential services to the mentally ill, developed mentally disabled, at-risk children and youth, veterans, families, and adults.
